## MINISTRYUPDATE

→ Liz Beck > Director

God continues to confirm the importance of the mission and purpose of Redeemed2Repeat. Over the past year, God has given more clarity in how to present practical application and equip people with gospel truth. Our life is about growing in our knowledge of God, not about pursuing sobriety. Sobriety will be an outcome of obedience to Christ through the power of the Holy Spirit at work within us (Colossians 1:9-10, Galatians 5:16).

As we continue to grow, it is evident that administrative support is needed. As of August 1st, we hired a part-time administrative assistant. Tracy Sevey attended the first Crossroads meeting, has one year clean and has a heart for this ministry because of how she has received help. She has already been a great blessing in helping to catch up and in planning future projects.

We have also been working on partnership and training materials. God continues to work in me as I am completely dependent on Him for direction and equipping. It is exciting to witness God's work in freeing people from their addiction and giving them a new life. I feel honored each day to witness the transformation that only Christ can bring. I have shared about Caroline and Annabelle several times over the past year. This week they will be moving into their own apartment and Caroline will be starting her new job in September. Please pray for her as she transitions. This is the first time she has

“Last night was awesome at group. I really felt encouraged and blessed to be there. Not going to lie, my flesh has been telling me to not go because I might not “fit in” but I felt super blessed last night. Thank you so much for starting this ministry!”

There is no better way to share what is happening in Redeemed2Repeat than to hear straight from some of the people whose lives are being changed. Your prayer and financial partnership is making this possible. Thank you for standing with us!

“I AM VERY ENCOURAGED TO SEE GOD MOVING IN [MANDY]... SEEMS LIKE SHE HAS SURRENDERED IN WAYS I'VE NEVER SEEN HER SURRENDER IN. THANKS AGAIN FOR ALL THE WAYS YOU ALLOW THE LORD TO WORK. I AM SO VERY GRATEFUL FOR YOU AND YOUR MINISTRY. YOU HAVE NO IDEA! CONTINUING TO PRAY FOR YOU AND THE PEOPLE YOU CARE FOR.”

lived on her own and we are approaching the one year anniversary of her finance's death.

Thank you for your prayers and financial partnership! As we approach completion of our second year it is amazing to see all that God has done in such a short time. Please continue to pray for wisdom as we create curriculum, prepare training materials and care for people.

“Thank you for your prayers, wise counsel and encouragement these past few weeks. Your wisdom and gracious guidance have been a blessing beyond what you can imagine! Thank you for giving of your time to minister to our family.”

“I wanted to tell you that I have been thinking about Tracy's story. I sit in my office and wonder what I shall eat for lunch each day and like Tracy said, you don't know what's going on around us in people's lives. I am on my knees thanking God for His blessings and my simplistic life. I'm glad you do what you do.”

“You have helped me so much. I will never be able to thank you enough.”
